To Whom this may concern

My Name is Dale Lacy I am the manager of an animal boarding facility, we have been using Strikeforce LU 782QY Luna Multipurpose Disinfectant now for over 3 years, we have used many similar products previously and I am confident to say this products has delivered us very successful results, for virus control and general hygiene. We use this product daily for all purpose cleaning and pathogen control. As a food grade disinfectant we also use it to clean all food preparation areas and in our dish washing process. All our Animal enclosures and drinking bowls are cleaned daily using this product. The other great benefit we are excited about is, it is very economical to use.

Kind Regards
Manager

Dale Lacy
